EXPERIENCE

Brendan E. Cryan & Company, New York, NY July 2026 – August 2026
Trading Intern — NYSE Floor Broker & Electronic Designated Market Maker (NYSE American)

• Sit alongside NYSE Designated Market Makers at the trading post throughout the session, observing how the firm manages its book of listed securities in real time across the full trading day

• Study how DMMs quote two-sided markets, provide liquidity into imbalances, and manage order flow in exchange-listed securities on the NYSE American floor, connecting classroom market theory to live trading behavior

American Tax and Accounting Services of New York, Virtual August 2025 – Present
Accounting Clerk

• Maintain bookkeeping records and organize financial data to support reporting and improve client account accuracy

• Prepare and review tax and accounting documents to ensure compliance and reduce errors in financial filings

Regulus Energy, New York, NY (Hybrid) April 2025 – June 2025
Research Intern

• Analyzed natural gas markets while shadowing traders, identifying key pricing trends and volatility

• Researched market indicators and risk strategies to evaluate trading positions and support portfolio decision making

• Applied market analysis and portfolio concepts to assess investment opportunities and produce data-driven reports

Coditum, Virtual August 2024 – Present
Tutor

• Lead one-on-one tutoring sessions in coding and English concepts for students ages 7 to 14, adapting explanations to each learner and improving both their academic results and their confidence over time

PROJECTS & VENTURES

StayMindful — Co-Founder (staymindful.org) May 2024 – Present

• Helped build an accessible teen mental-health website and app as part of a founding team, contributing heavily to the content system and web platform and taking on a share of the app's development across four languages

• Contributed to a platform that published 40+ articles and 60 guided exercises developed with professionals and has grown to 5,400+ downloads across 28 countries, including a partnership with the nonprofit Active Minds

The College Closet — Founder (thecollegecloset.com) July 2025 – Present

• Built and maintain a live secondhand-apparel storefront spanning 52 products across 27 schools, including a client-side product catalog, a custom filter and search engine, and a seller-intake flow, all written in JavaScript

• Manage the full operation end to end — sourcing inventory, photographing and listing products, handling buyer and seller communication, and iterating on the site based on how real users actually shop

AllInTutoring — Founder (allintutoring.org) 2024 – Present

• Founded and operate an independent math and coding tutoring practice serving multiple active clients, owning pricing, intake, scheduling, lesson planning, and delivery from first inquiry through ongoing sessions

Room Reset ATX — Founder (Austin, TX) May 2026 – Present

• Built a pre-launch service site and interactive booking-estimate flow featuring package selection and live pricing logic, designed to take a student move-out and room-reset concept from prototype toward a real Austin launch
